# Think: Production

**Matsuura and Tornos Technology Centres, Leicestershire**  
**14th, 15th and 16th of October 2014**

Official Media Partner

4 Major Launches

5 UK Firsts

6 Technology Leaders

# Think: Production...

**...Think: 6 leading technology brand innovators** and a host of supporting companies combining to create one event – offering your business the opportunity to seize a critical market advantage over your competitors - achieving cost effective and profitable production.

**Matsuura, Tornos, FANUC, Delcam, Nikken and Edgecam** have teamed up to deliver a very special content rich event - to be held at the neighbouring **Matsuura and Tornos Technology Centres in Leicestershire on the 14th, 15th and 16th of October 2014.**

If your company is planning on investing for the future in any of the following capital equipment, material technology, services or software then this is one UK event you cannot miss:

Turning • Milling • Tooling • Automation • Robotics  
 CAD/CAM • Metrology and Inspection • Work Holding •  
 Unmanned Production • Swarf Management • Cleaning  
 and Surface Treatments • Air Filtration Systems •  
 Oils and Coolants • Machine Monitoring • Production  
 Management Systems • Finance
